What Is Hemp Traders?

Hemp Traders is an **online hemp marketplace** based in the United States that offers a vast array of products made from industrial hemp. Unlike many retailers that focus on a single category, Hemp Traders curates a **diverse product line** that spans apparel, accessories, paper, home goods, and more.

The company is deeply committed to **sustainability, ethical sourcing, and**

education. Every product on the site is carefully selected to ensure it meets high standards for quality and environmental responsibility. Hemp Traders also serves as an **educational resource**, helping consumers understand the many uses and benefits of hemp.

Why Choose Hemp?

Hemp is one of the most **versatile and sustainable** plants on the planet. Here are just a few reasons why hemp products are a smart choice:

 Eco-Friendly

Hemp requires **50% less water** than cotton and grows rapidly without the need for pesticides or herbicides. It also **sequesters carbon** from the atmosphere.

 Durable & Long-Lasting

Hemp fibers are among the **strongest natural fibers**. Hemp clothing and goods outlast cotton and synthetic alternatives, reducing waste.

Breathable & Comfortable

Hemp fabric is **highly breathable** and naturally wicks moisture, making it ideal for all seasons. It also gets **softer with each wash**.

Naturally Antimicrobial

Hemp fibers are naturally **resistant to mold, bacteria, and UV light**, making them a healthy choice for clothing and home textiles.

Biodegradable

Unlike synthetic fabrics, hemp is **100% biodegradable**, so it doesn't contribute to microplastic pollution.

Supports Canadian Farmers

Hemp is grown across Canada, and choosing hemp products supports **sustainable agriculture** and local economies.

Why Shop at Hemp Traders?

Tips for Choosing the Right Hemp Products

- **Know your hemp blends** — Many hemp products are blended with other fibers

like organic cotton or lyocell for different textures and properties. Check the product description for fabric composition.

- **Check sizing carefully** — Hemp clothing can fit differently than synthetic or cotton garments. Hemp Traders provides detailed size charts — use them!
- **Consider the weight** — Hemp fabric comes in different weights. Lighter weights are ideal for warm weather, while heavier weights are great for colder climates.
- **Care instructions** — Hemp is durable and easy to care for. Most hemp clothing can be machine-washed cold and line-dried. Follow the specific care instructions on each product.
- **Start with basics** — If you're new to hemp, consider starting with a basic T-shirt, a pair of socks, or a simple accessory to see how you like the feel and durability.
- **Explore beyond clothing** — Don't forget about hemp paper, jewelry, and home goods. These make excellent gifts and are a great way to incorporate hemp into your daily life.

Hemp vs. Cotton: The Comparison

Feature	Hemp	Conventional Cotton
Water usage	~50% less water	Very high (2,700 L per shirt)
Pesticides	None required	Heavy pesticide use
Fiber strength	Up to 8x stronger	Moderate
Durability	Extremely durable	Moderate
Breathability	Highly breathable	Breathable
Antimicrobial	Naturally antimicrobial	Not antimicrobial
Biodegradable	100% biodegradable	Biodegradable
Carbon sequestration	Yes (absorbs CO ₂)	Minimal
Overall sustainability	★★★★★	★★★

*Data based on industry averages. Hemp is one of the most sustainable crops on earth.

The Story Behind Hemp Traders

Hemp Traders was founded in **1994** by **Richard M. Davis**, a passionate hemp advocate who saw the potential of industrial hemp to transform industries and protect the environment. At a time when hemp was still largely misunderstood and stigmatized, Richard took a bold step to create a business that would **educate consumers and provide access to high-quality hemp products**.

Over the past three decades, Hemp Traders has grown from a small mail-order catalog into one of the **most respected hemp retailers in the world**. The company has been featured in numerous publications and has played a key role in the global hemp renaissance.

Today, Hemp Traders continues to be family-owned and operated, staying true to its roots as a **mission-driven business** that prioritizes people and the planet over profits.

Frequently Asked Questions

Is Hemp Traders a legitimate company?

Yes! Hemp Traders has been in business since **1994** and has a long-standing reputation for quality and integrity. They are one of the most trusted names in the hemp industry.

Does Hemp Traders ship to Canada?

Yes, Hemp Traders ships to **Canada and many other countries** worldwide. Shipping rates and times will vary depending on your location.

Are hemp clothes comfortable?

Absolutely. Hemp fabric is **soft, breathable, and gets softer with every wash**. It's comfortable in both warm and cool weather and is gentle on the skin.

How do I care for hemp clothing?

Hemp is easy to care for. Most hemp garments can be **machine-washed in cold water and line-dried**. Avoid high-heat drying to preserve the fibers. Always check the care label for specific instructions.

Is hemp better than cotton?

For the environment, hemp is **significantly more sustainable** than conventional cotton. It uses less water, no pesticides, and sequesters carbon. Hemp fibers are also **stronger, more durable, and naturally antimicrobial**.

What forms of payment does Hemp Traders accept?

Hemp Traders accepts **major credit cards** (Visa, Mastercard, American Express, Discover) and **PayPal**.

Can I return items?

Hemp Traders has a **reasonable return policy** for unused items. Check the Returns & Exchanges section on their website for full details.

Are Hemp Traders products made from organic hemp?

Many of the products at Hemp Traders are made from **organically grown hemp**. Each product listing will specify the materials and certifications. The company prioritizes **sustainable and ethical sourcing**.
